

Meetings at Alderbrook Resort & Spa

A little bit of paradise.

Nestled on the scenic shores of Hood Canal, Alderbrook is less than two hours from Seattle. Yet it's a world away from the everyday. Established in 1913 and reinvented in 2004, Alderbrook is a breath of fresh air for meetings and special events. A place where groups from 8 to 200 come together to learn. Play. Share ideas. See things in a new light. Celebrate in one of the most scenic wilderness areas on earth.

The Northwest's premier place to meet.

Choose from 7,000 square feet of flexible meeting space, beautifully appointed and designed to make the most of state-of-the-art multimedia presentation technology and wireless high-speed Internet access.

Enjoy easy access to expansive decks and waterfront venues for events, parties and receptions. Guests appreciate our spectacular views of Hood Canal and the Olympic Mountains.

Let the tastes and special requests of your group inspire feasts and festivities including beachfront barbecues of seafood fresh from Hood Canal. All events are catered by the talented kitchen staff from The Restaurant at Alderbrook, a destination in itself.

Provide your group the relaxed comfort of staying in guest rooms and cottages designed with splendid appointments. Panoramic views of the water and mountains add to the ambience.

Come out and play.

Your group can reserve preferred tee times at the PGA golf course. Go boating, fishing, kayaking or hike nearby trails. Work out in our Fitness Center, with adjacent steam room, dry sauna and whirlpool. Swim in our indoor pool perched above Hood Canal. Rejuvenate body, mind and spirit at The Spa at Alderbrook.

Your success: our pleasure.

From conference rooms and catering menus to guest rooms and tee times, you can arrange everything your group needs through our Alderbrook experts. We take pride in orchestrating all the special requests and personal touches that transform an ordinary meeting into an extraordinary success. Plan your next event at Alderbrook Resort & Spa—a distinct Northwest destination.
