Sunset Announces Finalists in Its First-Ever Travel Awards Program

Sunset, founded by the Southern Pacific Railroad to promote travel in the West, introduced the Sunset Travel Awards to honor excellence and innovation in the tourism industry across the 13 Western states, British Columbia, and Alberta. The awards recognize achievement in lodging, dining, cultural tourism, outdoor adventure, environmental stewardship, and other categories.

We are excited to announce finalists in each of the program's 20 application categories. Winners, chosen by Sunset editors and the contest [Advisory Board](#), will be announced in the June 2015 issue of *Sunset*. For more information, please see our [full contest rules](#) and [FAQs](#).
