

# SPA DESTINATION

Nestled along the banks of the Hood Canal—just two hours west of Seattle and north of Portland—The Spa at Alderbrook is surrounded by nature and known for relaxing, luxurious treatments and an experienced and nurturing staff. Whether a signature massage, skin radiance facial or full-body treatment, the Spa offers a range of holistic services that nourish the body and rejuvenate the mind and soul—all within the picturesque calm of the Pacific Northwest.

## SIGNATURE TREATMENTS

Featuring only the finest quality products for each service, The Spa at Alderbrook offers a variety of skin care and body care products that offer the highest combination of luxury and efficacy. The Spa chooses a wide variety of products known for superior quality, and many of which are all-natural and/or paraben free. Some of the lines used in the Spa include: GM Collin; Intracuticals and Clarisonic. Many of the Spa's products also feature packaging made from recycled or sustainable paper products.

### Alderbrook Renew

3 hours \$375

Begin your renewing experience at Alderbrook Resort & Spa with our Alderbrook custom 90-minute facial. This luxurious facial combined with our 90-minute Alderbrook signature massage will prepare your body for your next adventure!

### Day on the Shore

3.5 hours \$500

Enjoy a refreshing day exclusive to The Spa. Invigorating body exfoliation will prepare you for a full body wrap combining Moor mud and minerals, followed by our luxurious 60-minute relaxation massage. Next, treat yourself to a unique facial using hyper-baric oxygenation. Our rejuvenating oxygen facial will lift and tone your skin, completed with our atoxelene treatment to plump and fill in those fine lines.

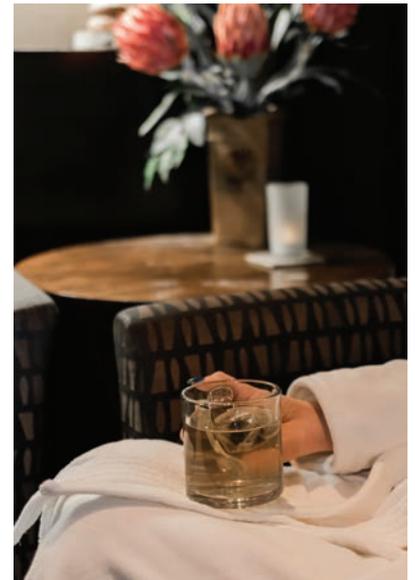

### For Two: Afternoon at Alderbrook

2 hours \$575

Take a break from your adventures to relax and unwind. Indulge in our aroma crush body scrub, which invigorates and detoxifies with a custom mineral scrub, revealing soft and smooth skin. Finish with a pampering 60-minute couples Alderbrook massage and let your mind unwind.

## AMENITIES

The Spa features eight spacious treatment rooms, a therapy pool, sauna, steam room, indoor saltwater swimming pool and a complete indoor gym. All facilities are available to Spa guests for use before, between or after their treatments. Spa guests also have access to the tranquil relaxation room, allowing for a quiet and peaceful transition between services. Two of the treatment rooms are large enough to accommodate the Spa's indulgent side-by-side couple's treatments, one of which also features a luxurious, romantic soaking tub (perfect for couples on a honeymoon or a relaxing retreat). A small retail area allows guests to select products or gifts to continue the Spa experience at home.
